Wholesale / Retail Policy

1. "Wholesale" is defined as being expressly intended for resale.
2. Those who qualify for wholesale purchases (and possible keystone on some items) include:
 - a. Jewelers, Art Galleries, Rock Shops, and other related establishments with a physical storefront.
 - b. Independent Jewelers and others who are known by me to resale in the business of minerals, gems, jewelry, wearable art, etc.
 - c. Anyone who makes quantity purchases of identical or similar pieces such as large parcels of gem materials, etc.
3. Those who do not qualify for wholesale status as outlined above are invited to participate in my on-line auctions, where prices may at times dip close to the wholesale or keystone levels.
