

## Registration Form for Faceting "Boot Camp"

Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

E-mail: \_\_\_\_\_

Home Phone: \_\_\_\_\_

Cellular Phone: \_\_\_\_\_

I plan to stay at the following hotel: \_\_\_\_\_

My faceting machine, make and model: \_\_\_\_\_

We recommend Best Western Olympic Inn (driving distance), or the Best Western on Main St. (8 blocks or so walking past shops & restaurants).

I (will) / (will not) be shipping my machine and will contact you about this at least four weeks prior to camp date.

### Payment / Refund Policy:

Early registration discount applies when a reservation deposit is received by March 1, OR when full payment is received by April 1.

At least 50% of Boot Camp tuition must be received with registration. The remainder must be received on or before arrival.

Deposits are refundable due to cancellation only if the seat is later filled. If circumstances force a student to miss the class, tuition already received will be credited toward a future Boot Camp date - with the price frozen at the current rate.

Please answer the following as completely as possible. Please have this in your mind when you plan your trip and when you arrive. It is very important to me that the event is a success for you – because that defines success for me. Please use a separate sheet and be very specific to insure our success together:

“My personal goals for this event are ... “

This is how you will know that the event was successful and valuable.

Please mail this completed form, along with payment to the address I will provide. Please contact me via e-mail to set up a phone interview regarding your acceptance for the class:
